

Aircrete Europe takes over intellectual property of WKB Systems

As per 1 September 2024, Aircrete Europe has acquired the intellectual property, drawings, client information, and documentation of WKB Systems GmbH, following the liquidation of WKB Systems earlier this year.

Furthermore, alongside the acquisition, several experienced former employees of WKB Systems have joined Aircrete Europe. Through their experience and expertise Aircrete Europe will be able to ensure the continued high-quality supply of equipment and services for the installed client base of WKB Systems.

Ralf Beier, Managing Director at Aircrete Europe, commented: "This acquisition is in line with Aircrete Europe's strategy to continuously grow its business through both organic and inorganic growth opportunities. We are dedicated to ensuring a smooth transition and continuing to provide the support and solutions our clients rely on."

As per 1 September 2024, Aircrete Europe is now also able to provide equipment and services for the installed client base of WKB Systems.
